Welcome to The AIM Bulletin! The monthly update on all things AIM.

ANNOUNCEMENTS
- AIM Q3 2018 Partner & State Progress Reports are due June 15, 2018. Please contact the AIM National Team if you have any questions.
- The AIM National Team is forming a Community Workgroup that will focus on bringing the community voice/perspective to the table. We are still in the beginning stages, but will provide more information once available.

UPDATE ON AIM STATES
Michigan
- Jody Jones, MD and Matt Allswede, MD of the MI AIM team had the opportunity contribute to The President's Blog, the official blog of ACOG's President. You can view their blog here.

North Carolina
- The Perinatal Quality Collaborative of North Carolina (PQCNC) instituted "The PQCNC Quality Improvement Award," that recognizes a North Carolina delivery unit that has made measurable and sustained sportive change. The application deadline is July 7, 2018. Please click here to learn more.

WHAT WOMEN WANT CAMPAIGN

Want Women Want is a global advocacy campaign to improve healthcare for women and girl and strengthen health systems. The mission is to query one million women and girls worldwide—from capital cities to rural villages—about their top priority for quality maternal and reproductive health services by the end of 2018.

If interested you can complete the survey here.
