

**The ASAM/ACOG Treatment of Opioid Use Disorder Buprenorphine Waiver Qualifying Course:
Women's Health Focus**

Don't miss the ASAM/ACOG Treatment of Opioid Use Disorder Buprenorphine Waiver Qualifying Course: Women's Health Focus on May 3, 2019 from 9:00am-1:30pm. As morbidity and mortality from opioid use disorder continue to rise in the United States, women with OUD are a special population that require unique attention and intervention. Offered in partnership with the American Society for Addiction Medicine (ASAM), the course is tailored to women's health providers, covers all medications and treatments for opioid use disorder, and provides the required education to obtain the waiver to prescribe buprenorphine. This is an 8-hour blended course combining 4 hours of online learning followed by 4 hours of live learning during this training at the ACOG Annual Meeting. Upon completion, participants will be eligible for the waiver. The cost is \$75 per participant. Register at <https://elearning.asam.org/p/ACOGMay3>. For more information, email Amy Ushry at aushry@acog.org.
