**About the National Improvement Video Challenge**

The National Improvement Video Challenge is designed to provide an opportunity for institutions to share how they have utilized the Council’s Patient Safety Bundles and Tools in an innovative and interactive way. Through the Video Challenge, the Council seeks to foster a culture of collaboration, teamwork, patient safety, and communication between clinicians and patients while concurrently facilitating innovative peer-to-peer sharing of best practices related to the implementation and use of the Council’s Patient Safety Bundles and Tools.

The next cycle of the Video Challenge is expected to open in spring 2020.
